

Pictou Landing First Nation School

Kesikewiku's~December News Update

Dear PLFN SCHOOL Families,

It's beginning to look a lot like Christmas at school these days. Thank you to all our staff members and students who have decorated the walls and doors in festive décor! Our Primaries and Grades 1 and 2 students have visited Santa at the mall and decorated a tree with their handmade decorations. We will be having our Christmas Spirit Week the last week of school, with a different theme or activity each day. Also, our Christmas Bazaar will be held December 18 . Students will have the opportunity to purchase items for friends and family members at bargain prices and experience the pleasure of giving a gift that they themselves have selected and purchased. There are lots of real life learning experiences associated with the sale as students budget their time and money. We are always looking for donations of small items for this Christmas Bazaar. Everyone is working hard on songs they are learning for our Christmas concert, which will be December 19 at 2pm. The annual WOW READING CHALLENGE has begun. Our school has always done very well in this challenge. We have so many avid readers! Books read at home count to, so keep track and send your results in!

Thank you to all parents who came to see us on Parent Teacher Day. Remember, if you ever have questions or concerns, you can always phone and come in to see us. 755-9954 Also, our website www.pictoulandingschool.ca is a good source of information. Each teacher has a Teacher Page which keeps you up to date on homework or other assignments or events. Keeping in communication with your child's teacher is an excellent way to support your child in his or her education.

SAFE ARRIVAL-

The safety of our students is our primary concern. Please inform the school if your child is going to be absent or arriving late; this saves us from having to make phone calls to verify the whereabouts of our students. Wela'liek.
