

## Pictou Landing School June/Nipniku's Update

June is a busy month as we take advantage of the nicer weather to get outside to learn and get some exercise. Please check our calendar for upcoming events and activities.

Many thanks to the Human Services class of NSCC who came to help us put in our school garden. Thanks also to the PLFN Summer students who will be watering and weeding our garden over the summer so we can enjoy our harvest in September!

Our Grade 6 class is getting ready for their camping trip to Kejimikujik National Park. They had the opportunity to practice putting up their tents in the gym, and their teamwork was impressive. Thank you to Karen who has tirelessly supplied us with meatball subs to sell to fundraise for Keji, and thanks to those who have purchased them.

Also, we are still accepting refundable bottles. Wela'liek!

The Grade 5/6 class is looking forward to their Boat Building exploratory June 6-8.

Grade 3/4 students are fundraising for a trip to PEI to see the musical Anne Of Green Gables. Currently they are selling tickets on a draw for 1st prize a Dozen Lobster, 2nd prize a Dozen Canners! Thanks to PLFN Fisheries Department for their generous donations! Tickets are \$2 each or 3 for \$5.

Congratulations to our students who took part in the Track & Field event on June 4. You represented our school very well in your sportsmanship.

We look forward to meeting our new Grade Primaries on June 8! They will spend the morning with us. 😊
