

Dear Pictou Landing First Nation School Families,

As we complete our last two months of school, students are encouraged to continue to focus on their learning, excellent attendance, and meeting all positive expectations within the school and classroom settings. We will be welcoming our new Grade Primary students on June 8th for their School Orientation!

We are very proud to announce that our school has once again done very well in the WOW READING CHALLENGE!

Our school has won SILVER in this challenge. Our students are to be congratulated for all the reading they have done since November!

Congratulations to Sophie and Jayme, who raised money for Big Brothers Big Sisters, did some Wii Bowling, and won a pizza party for their class. 😊

Grade 6 Keji Trip Fundraising News.

- We are accepting donations of refundable beverage containers! We will arrange pick up or you can drop them off at the school. Our Gr. 6's will sort and count.
- Thank you to everyone who has been buying meatball subs. All proceeds go to our trip fund. Thanks Karen, for making them!

Grade 5/6 Boat Building

In June, our Grade 5 and 6 students will have the unique opportunity to build small rowboats . In partnership with Mount Saint Vincent University and the Maritime Museum of the Atlantic, this is an exciting project that covers outcomes across the curriculum. Our students will be reading plans and determining scale, as well as using measurement and other mathematical concepts, in an experiential, hands on project. Weather permitting, we will even have a celebratory blessing of the fleet and boat launch and get to row our boats on June 8 at 1 pm.

Mark your Calendar!
