

## **A Thank You to all our Seesaw Parents!**

At Pictou Landing First Nation School, we believe in keeping you engaged with your child's teacher and giving you a chance to see our students' amazing work daily. As you know, to help with this, we began using Seesaw in the class and have been so pleased with the results. We love our Seesaw parents, and to help you stay connected we are inviting all Seesaw connected parents who complete a short survey to enter into a draw for a previously set up but unused iPad Air.

To enter you must be a connected Seesaw Parent, fill out the Seesaw parent survey/ ballot and submit them to the school. The Survey will be available at parent-teacher on Friday, November 29th or will be sent home Monday with students whose parents are unable to attend parent-teacher.

The draw will be taking place on December 6th.

Thank you for being such amazing supporters of Seesaw

~ PLFNS Teachers
