

Dear PLFN School Families GRADE 5-8 students,

We hope you are doing well during this time when school has to remain closed. The school building may be closed, but learning always continues! We hope we are able to be back together soon. As of now, our first day back in the school is Monday May 4th. We will keep you updated if this changes.

In the meantime, we want to support you in any way we can to have your children continue with some routine of school learning during this time.

It is recommended that Gr. 5-6 students engage in about one hour per day, and Gr. 7-8, two hours, with the focus on Math and Literacy, as well as Mi'kmaw Language and Physical Education.

We are very happy that Grade 5-8 parents and caregivers have access to SEESAW, our online platform, as well as Google Classroom where assignments are posted.

We want to remind you to check your child's **Seesaw Class App**.

Once in, you will see a tab on the right called **Activities**.

Here you will find the learning activities that have been developed by your child's teacher.

Daily Tasks are posted in your child's journal stream and don't be afraid to scroll through and have them complete any that they have missed.

Please remember to check **Announcements** in Seesaw for any messages from the teacher.

**Assignments** are mostly posted in **Google Classroom**.

If you have any questions, please contact your child's teacher. We are here to help! **Teachers are available to respond to your emails and messages between 9 am and 3 pm Monday through Friday.**
