

Dear PLFN School Families of Students in Grades P-4,
We hope you are doing well during this time when school has to remain closed. **The school building may be closed, but learning always continues!**

We hope we are able to be back together soon. As of now, our first day back in the school is Monday May 4th. We will keep you updated if this changes.

In the meantime, we want to support you in any way we can to have your children continue with some routine of school learning during this time.

It is recommended that P-4 students engage in about one hour per day, with the focus on Math and Literacy, as well as Mi'kmaw Language and Physical Education.

We are very happy that all parents and caregivers have access to SEESAW, our online platform.

We want to remind you to check your child's **Seesaw Class App**. Once in, you will see a tab on the right called **Activities**. Here you will find the learning activities that have been developed by your child's teacher. **Daily Tasks** are posted in your child's journal stream and don't be afraid to scroll through and have them complete any that they have missed. Also, please remember to check **Announcements** in Seesaw for any messages from the teacher.

Teachers are available to respond to your questions
Monday through Friday between the hours of 9 am and 3 pm.

If you have any questions, please contact your child's teacher.

We are here to help!
